

***NWPA Chapter NTMA Annual Golf Outing***

***July 19, 2018***

***11:00 Registration & Lunch / 12:00 Shotgun***

**The National Tooling and Machining Association (NTMA)** is the national representative of the custom precision manufacturing industry in the United States. For the most part, NTMA members are small businesses, yet the industry generates sales in excess of \$40 billion every year. Over 130 businesses in Northwest PA are members of the Association, contributing every day to our local economy.

***We are asking for your support!*** In an effort to better serve the community and the Association, partial proceeds from the outing will benefit the **NWPA NTMA Education Foundation** to help provide scholarships to students and equipment for technical education programs in schools in Northwestern PA. In 2017, the NWPA NTMA Education Foundation was able to award **\$16,250** in scholarships to local students and employees and **\$22,732** in grants to local technical programs.
