

Special Retirement Services Rates

You understand the value of money, time and a committed, skilled workforce.

To address the unique needs of companies like yours, The Northwestern Pennsylvania Chapter of the National Tooling and Machining Association (NWPANNTMA) teamed up with Northwest Retirement Services to offer a specially priced 401(k) plan to NWPANNTMA members.

Benefits

Save money.

- Complimentary analysis of your current plan
- Competitive pricing
- Detailed description of underlying costs
- Northwest will serve as discretionary trustee, which helps to reduce fiduciary responsibility and liability.

Save time.

- Our team of experienced investment professionals will walk you through the process, every step of the way.
- A one-stop shop, Northwest Retirement Services offers in-house investment advice and administrative services.

Keep your team happy.

- It's important that your teams in the office and on the front line are committed to your company. Northwest Retirement Services offers a wide-range of options and will work with your employees to be sure they choose the option that's right for them.

Our Background

In 2013, Mr. John Watkins, President of JBM Technologies and NWPANNTMA, and Mr. Chris Minnis, President of Laser Tool, met with Northwest Retirement Services for a review of their own companies' retirement plans.

Northwest provided a fee and performance analysis, which found that both companies could save a significant amount of money and enhance the fund offerings to their employees.

Committed to the success of the manufacturing industry in northwestern Pennsylvania, the NWPANNTMA Board of Directors worked with Northwest to develop this special NWPANNTMA promotion.

As an advocate of manufacturing in northwestern Pennsylvania, NWPANNTMA urges all members to take advantage of this free Northwest Retirement Services comparison, another great benefit of your NWPANNTMA membership.

To make arrangements to meet the Northwest team and complete your free analysis, please contact Craig Mullen at 336-1164, Ext. 25601.
